

Applications now being accepted
for the
Quattrochi Merit Scholarship*
(Up to ~\$1500)

Qualifications:

- Full-time student during the academic year 2008-2009
- Major in the sciences or mathematics
- GPA of 3.5 or better
- Junior or Senior standing by Fall semester 2008

Applications are available at the following departmental offices within the School of Sciences and Mathematics:

Biology	Chemistry/Biochemistry
Computer Science	Geology
Mathematics	Physics/Astronomy

Applications are **due March 14, 2008** at the Dean's office for the School of Science and Mathematics, 6 Greenway, between Robert Scott Small Building and Randolph Hall.

* The Quattrochi Merit Scholarship was created by Peter Lawrence Quattrochi and Jane Elizabeth Quattrochi, an alumna (classes of 1990 and 1993), for students at the College of Charleston. The scholarship will be awarded on the basis of academic merit and an original essay. A panel consisting of Sciences and Mathematics faculty, English Department faculty, and Quattrochi family members will evaluate credentials and the essay to determine the recipient. Applicants are encouraged to use the Center for Student Learning Writing Lab for assistance in the preparation of a well written essay to be evaluated on content, style, and presentation. Applicants may contact the Associate Dean at School of Sciences and Mathematics (843 953 5991) with questions regarding the essay.

Application for the 2008 Quattrochi Merit Scholarship¹
Deadline: March 14, 2008

Last name: _____ First name: _____

Student ID: □□□ -□□ - □□□□

Local (campus) contact information:

1. _____
2. _____
3. _____
4. _____

Attach a 500 word **handwritten** original essay answering the following questions:

What have you done to prepare yourself in your field (either personal research or collaborative work with faculty either here or away)?

What are your future study and career plans?

What kind of contributions to society do you see yourself making through your intended career?

What excites you about the field you are studying?

Applicants are encouraged to use the Center for Student Learning Writing Lab for assistance in the preparation of a well written essay to be evaluated on content, style, and presentation. Applicants may contact the Associate Dean at School of Sciences and Mathematics with questions regarding the essay. (843 953 5991)

¹This scholarship, created by Peter Lawrence Quattrochi and Jane Elizabeth Quattrochi, alumnae (class of 1990 and 1993), will be awarded on the basis of academic merit and an original essay. Only full-time Junior/Senior students at the College of Charleston with a declared major in the School of Sciences and Mathematics and a minimum 3.5 grade point average are eligible.
