## Contest Rules and Recommendations

- Design must be submitted on a white, 8½" x 11" sheet of paper.
- Must use black pen or extra fine point Sharpie (or similar marker). NO PENCIL.
- Original art strongly preferred over clip art. If clip art is used, please state source of clip art.
- Design should encompass the many disciplines of science and engineering but needs to be simple enough for printing on T-shirts.
- Submit design in black and white. The designer may also submit a color version with the black and white.
- Please limit design to 4 colors.
- All designs become the property of the College of Charleston.
- The decision of the judges will be final.
- Judges/T-shirt Printers hold the right to vary the design if necessary for suitability.
