

KEYSTONE APPLICATION – FALL 2008

Keystone is a collaborative program designed to help students establish the solid foundation they will need to successfully complete a four-year college degree program.

Students who are accepted into the program will take 12-13 credit hours each semester (fall/spring) at Trident Technical College while they are concurrently enrolled in one course each semester (fall/spring) for one year at College of Charleston. They will pay tuition and fees at Trident Technical College and cross register for the College of Charleston course.

Keystone students will meet with academic advisors and participate in academic support programs and student activities at both colleges.
