

What's a lophophore?

Ph. Phoronida

Size and feeding capacity

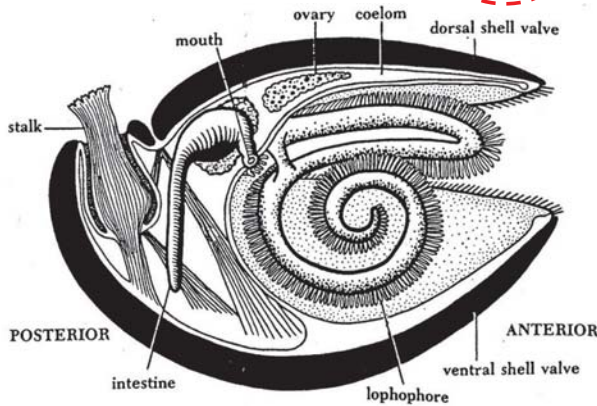

Ph. Brachiopoda

articulate

inarticulate

BRACHIOPOD
 mantle and shell production:
convergence with bivalve molluscs?

Ph. Bryozoa
 (= Ectoprocta)

Lophophore extension and retraction

Ph. Bryozoa

(= Ectoprocta)

Size and feeding capacity

Zoid specialization

Ph. Kamptozoa

water flow & waste elimination

kamptozoans (entoprocts)

bryozoans (ectoprocts)
